

Say goodbye to night storage

If your house gets chilly towards the end of the day, or if your toes feel cold while your heating's on full – you're not alone. At South West heating, we've helped over three thousand customers escape the struggles of old, expensive night storage heating, oil or gas.

Our efficient, German electric radiators spread warmth evenly around your home, from floor to ceiling, and make it easy to choose your perfect temperature in every room.

ELKAtherm® heats up quickly and is simple to control – so you can be warm, whenever you want... without a big electricity bill.

Admission £5 At The Door

Retiring Collection for St Newlyn East Hall Roof

ST NEWLYN EAST PARISH CHURCH

Regular Service in the church: 9.30am Sunday

PRAYER CYCLE This month we will pray especially for the people who live and work in Station Road, Crown Crescent and Parknoweth. If you wish your own prayer to be included, please write it down and put it in the locked donation box by the church door.

COFFEE MORNINGS The September coffee mornings will take place in the church on Tuesday, 12 September and Tuesday, 26 September from 10am -11.30am. Also, please don't forget the chapel coffee mornings every Thursday in the Wesley community hall.

CHURCH HARVEST FESTIVAL Our Harvest Festival in the church will be on 1 October at 7pm. This is always a lovely celebration with refreshments afterwards and everyone is welcome to come along.

AND ALSO... CHILDREN'S HARVEST DIY TEA On Friday 29 September there will be a family harvest hunt for children to find the (picture) clues to enable them to make their own sandwich and collect other goodies for their tea. It will start at 4.30pm and go on until 5.30pm but you can come along at any time. It should be suitable for toddlers as well as school-age children (no reading required!).

ADVANCE NOTICE – PET SERVICE We are hoping to arrange a special pet service in October. The date is yet to be finalised but we hope that it will be on a Sunday afternoon.

VANDALISM It is with great regret that we report that the church has been subjected to some vandalism recently. This is disheartening as all the damage costs money to repair and the church should be a place of peace and beauty for everyone. It is good to know, however, how supportive our lovely community is, since many people have offered to look in whenever they are passing just to check that everything is at it should be. Thank you all so much.

SECONDHAND BOOKS AND JIGSAWS Lots of books and jigsaws are available for you to choose from in the church and we can tell that they are well used by people. There is no fixed charge but a small donation towards the work of the church is much appreciated. If you are able to make a donation, please put it in the locked box beside the door or make a card donation. We also have a stock of children's books and toys which are kept near the font and people often drop in for children to play. (There is a changing mat available for babies as well.) You are welcome to borrow any children's books that your child enjoys, which saves you buying new books all the time.

Brighten up your Friday afternoon in good company ~ Why not join us this September at the Good Companions?

Meet up for entertainment, challenges to make your brain work, chat to make you laugh, afternoon tea and prizes in good company at Wesley Community Hall from 2pm to 4pm. Please bring £3 plus a small raffle donation. 1st: seated yoga with Issey

8th: card games, board games and more games

15th: visiting entertainer Paula joins us for some singing

22nd: Lappa Valley trip £5 a head - BOOKING ESSENTIAL with Elli or Jane at a Friday session

29th: an arty crafty afternoon.

Good Companions for the over 50s in the parish. Feel free to contact Jane (01872 510601) or Elli (01872 510310) for more information.

CANCER RESEARCH UK

A huge thank you to everyone that came and supported our Cream Tea in June. Just a shame that that the weather couldn't quite make it's mind up and we weren't able to hold it outside as planned.

But we needn't have worried as we made a grand total of £470 through sales and generous donations.

Thank you so much so much....you are absolute stars !!!

Landscapes Of Distinction; Down The Garden

It has been a great month for us working on several local projects. We are particularly excited to have completed stage 1 of building the Fontana Tranquillity Garden at Cornwall Hospice Care in St. Austell, supported by Contec SW, Hutton Hire, Dial-a-digger, PPP Installations, CHG Adapt and Fontana Garden.

We have replaced and extended the main patio making it accessible for several beds and created a smaller intimate patio. In the next week we will be working, supported by volunteers to plant the surrounding areas.

The first part of phase 2 is complete with the foundations of the tree top room, and in the next few weeks the building will be re-erected ready for the official opening. Kim, the designer says "I am passionate about the power of nature and the support and comfort it can provide. Together, Derek and I, have worked to produce this very special gift.

The garden will offer quiet contemplation and feature a treetop outside room, two intimate seating areas and a beautiful pond with running water. For patients with more limited mobility the garden can be seen from bedrooms and the patient lounge.

Gina Starnes, the Hospice Charity Director, says "We're extremely humbled by Derek Bishop's generous donation of

the garden to our Hospice where it will offer a place of solace and comfort for our patients, their families and our staff and volunteers."

Kim continues, "We believe it is an amazing opportunity to help people at a difficult time of their lives."

We are sadly fast approaching the end of the garden shows with just the Malvern Autumn Show but it's an amazing show to finish the season with. Although autumn is approaching there are lots of jobs left to do in the garden.

Jobs for September

- Continue to maintain your baskets and tubs; feeding, dead heading and watering can ensure they continue until mid-autumn.
- Prune back any perennials that are fading and dying down. Any good clumps can now be divided too. This will help improve the shape and flowering for next year.
- Dig up any remaining potatoes before slugs damage them.
- Net ponds before too many leaf's start to fall.
- Take cuttings from tender perennials such as Osteospermum and Pelargonium. If you don't have a greenhouse grow them on the windowsill.
- Start to protect any tender perennials but wait until the first frosts to hit dahlias or cannas.
- The growth on your lawn should be starting to slow down. Think about scarifying and aerating before applying a top dressing. This will help prepare your lawn for the winter.
- Autumn is a good time to apply a weed killer to perennial weeds as they are more vulnerable in the autumn. By using a glyphosate-based product it will penetrate into the roots as well as killing the top growth.
- Start buying and planting spring flowering bulbs.
- Sow sweet peas for an early crop of flowers next year but ensure they don't become too wet.
- Now is an ideal time of year to create new lawns either from turf or seed.

Need Some Help?

If all this sounds too much and you would like some help give me a call on 01872 519101 or 07888899012. Further information and tips are available on my website www.landscapesofdistinction.co.uk or my Facebook page [landscapesofdistinctioncornwall](https://www.facebook.com/landscapesofdistinctioncornwall).

Kim, Landscapes of Distinction
