**\*\*CUBERT CROSSROADS – PARLIAMENTARY PETITION\*\***

Jayne Kirkham MP is organising a parliamentary petition to urge the Government to take appropriate highway safety measures at Cubert Crossroads to reduce risk for road users. The petition will be launched on 28th May and will run for a month. The petition will be held in the Parish (location tbc) for residents to sign and anyone can sign, providing that they are a constituent of the Truro and Falmouth parliamentary constituency. It is an excellent way for children to engage with politics!! Following the closing date, the petition will be submitted to the Speaker of the House of Commons. Residents of St. Newlyn East, Cubert and Crantock have been calling for improvements to be made to this dangerous junction for many years and this is an important step in making this happen. PLEASE KEEP AN EYE ON THE PARISH NOTICEBOARDS AND SOCIAL MEDIA PAGES FOR DETAILS OF WHERE THE PETITION WILL BE HELD. We hope that as many residents will sign as possible. Thank you!

## ST NEWLYN EAST PARISH CHURCH

**Regular Service: 9.30am Sunday**

**PRAYER CYCLE** This month we will be praying for all those who live and work in Metha Parc and Trevilson Close. If you would like a special prayer said for you, please write it down and place it in the box next to the door.

**COFFEE MORNINGS** We have coffee mornings planned to take place in the church on Tuesday, 9 June and Tuesday, 23 June. Everyone is welcome (between 10am and 11.30am). There is a poster in the church porch as a reminder of the dates.

**FETE: ADVANCE NOTICE** The fete will take place on Saturday, 11 July on the paths in the churchyard so please watch out for posters in the village to remind you. This is always a popular village event and we look forward to welcoming lots of people. There will be plenty of stalls and activities, for example: nearly new items, books, children's toys, cakes, groceries, tombola, plants, raffle; there will also be cream teas.

**CHURCHYARD** The churchyard looks much tidier since the overgrown brambles have been cut back. We hope that we can keep this under control ourselves now that so much work has been done. The next churchyard weeding session will be on Wednesday, 17 June from 6pm-7pm. Everyone will welcome to come and help!

**LIGHT UP THE TOWER** If you would like the tower floodlit in memory of someone or to celebrate a special event, this is easy to arrange. You can complete a booking form (just inside the church door) or you can call Linda Angove on 01872 510778. For one week's lighting we ask for a donation of whatever amount you wish, and you will know that the lights are shining to commemorate your special event. At present (during the summer months) the lights are not lit up unless someone has requested it.

Woodburner Installations, maintenance and chimney sweeping.

June 2026 brings us a quiz with Jane, a seated Tai chi taster session with Alan Hughes, some tall tales from Kate Stebbing-Allen, and a Word Bingo with Elli.

Join us if you're free on a Friday afternoon, interested in getting out in the community, enjoy sandwiches, cake, tea and coffee, and enjoy a chat.

We are the place to be, and all for under a fiver.

Good Companions is about the folks who come along each week and enjoy getting together. We meet at 2pm till 4pm every Friday afternoon in the Wesley Community Hall next to Crossways shop.

We enjoy a wide range of activities and entertainment over the year, from talks and visiting musicians, board games and quizzes, arts and crafts, seated fitness, word based bingo, trips out, visits from local children and more.

Posters will be on lampposts and Crossways notice board or our Facebook page Good Companions, St Newlyn East.

## Landscapes Of Distinction: Down The Garden June 2026

It's hard to believe how dry late April and early May have been after such a wet winter, the evening temperatures remaining cool. Our strawberries at Mitchell Fruit Garden were 10 days later this year, however they are certainly worth the wait!

By the time you read this I will have returned from this years' Chelsea Flower Show which is always one of the highlights of the year. I am delighted to be judging at all the RHS Shows and BBC Gardeners' World Live too in 2026.

We have been working on some amazing projects; the very exciting Ikonek project at Prow Park. A large planting scheme in Probus and several coastal gardens.

We have been busy preparing the tropical garden at Mitchell Fruit Garden for the private NGS open day on 31<sup>st</sup> May and getting the farm ready for the season. We have extended our flower cutting garden and very excited to be offering PYO cut flowers as well as our normal bouquets. This year we will be opening early, on the 11<sup>th</sup> June, so we can capture the full gooseberry season.

### Jobs for June

- Keep on top of weeding. Weed regularly. Try using a hoe it is a quick and easy method!
- Stake tall or floppy perennials.
- Position summer hanging baskets and tubs outside. Keep them well watered, feed and deadheaded.
- Plant out summer bedding.
- Mow lawns at least once a week and in dry weather don't cut them too short.
- Harvest early potatoes, lettuce, radish and other salad crops.
- Collect rainwater for watering on dry days.
- Earth up potatoes.
- Now is the time to start sowing winter bedding plants; wallflowers, pansy and bellis.
- Weekly feed house plants.

- Prune back perennials that have finished flowering to encourage new leaf growth.
- Regularly tie in, feed and pinch out the side shoots of tomatoes.

Your roses should now be starting to flower, regularly deadhead them to encourage lots of healthy new buds and keep watch for the first signs of black spot and aphids.

### **The Chelsea Chop**

Now is the time of year to consider the 'Chelsea Chop'. It is a simple pruning method that delays flowering and makes plants more compact. There are two methods; the first is to reduce the height of the entire plant by a third, the second, is to prune some of the plants stems by a third (this extends the flowering season). Suitable plants include Nepeta, Sedum, Asters, Monarda, Lavendula, Echinacea purpurea, Artemisia, Phlox, Helianthus and Rudbeckia.

### **Need Some Help?**

If all this sounds too much and you would like some help give me a call on 01872 519101 or 07888899012. Further information and tips are available on my website [www.landscapesofdistinction.co.uk](http://www.landscapesofdistinction.co.uk) or my Facebook page [landscapesofdistinctioncornwall](https://www.facebook.com/landscapesofdistinctioncornwall).
