Landscapes Of Distinction; Down The Garden May 2022

It was lovely to see so many familiar and new faces at the Cornwall Garden Society Spring Show. What a fantastic show it was. For us it is the of the show season with work well under way for our APL show garden, Nurture Through Nature.

It is hot of the press and with very short notice that I am delighted to announce that Landscapes Of Distinction and Stonebarn Landscapes are designing and building an exhibit at this years' Chelsea Flower Show for the Royal Horticultural Society. The exhibit is showing the many exciting careers available in the industry. We are working frantically behind the scenes and will realise full details for next month.

Before this however I will be judging in the floral marquee at the RHS Malvern Spring Show and Chelsea Flower Show, and in July Hampton Court Flower Show.

I am very excited to have the opportunity to visit the Keukenhof tulip festival and Floriade. Floriade only takes place every 10 years, and this is the first time I will have been so looking forward to enjoying the scents and colours of flowers, plants, vegetables and fruits at the International Horticultural Exhibition. The theme is Growing Green Cities so the exhibition will offer solutions that make our cities more fun, more beautiful and more sustainable.

In Cornwall we have been undertaking the annual maintenance on a sedum living roof and wildflower roof and have just installed a fabulous garden in Lostwithiel with a semi circular gazebo and are currently working on an exotic garden at Truro which includes a jungle hut.

Jobs for May

- Prepare summer hanging baskets and tubs. Start planting out summer bedding, canna, dahlia and tender crops but keep an eye out for late frosts.
- Protect vulnerable new plant growth from slug and snails.
- Your lawn is now actively growing and will now require a weekly cut.
- On warm days ventilate your greenhouse and if necessary put up shading.
- Collect rainwater for watering on dry days.
- Earth up early potatoes.
- Put in supports for herbaceous perennials before they get too tall.
- Sow herbs.
- Prune spring flowering shrubs straight after flowering; forsythia, ribes, chaenomeles, kerria, pyracantha etc.
- Before carrying out pruning or hedge cutting, check for nesting birds.
- Plant out young vegetables.
- Lift and divide over crowded spring bulbs, primula and hosta as they come into growth.
- Dead headed spring bulbs but remember to leave them at least 6 weeks before cutting them down.
- Take soft tissue cuttings of hydrangea, fuchsia and penstemon.
- Weekly feed houseplants.
- Believe it or not now is the time to start sowing winter bedding plants; wallflowers, pansy and bellis.
- Keep on top of weeding.

Need Some Help? If it all sounds too much and you'd like some help with general maintenance, a garden makeover or advice then give me a call on **01872 519101 or 07888899012.**

Gaming for Citizens Advice Cornwall

Gaming for Citizens Advice Cornwall is a challenge to stream yourself playing games and raising money which will help us to continue to provide free advice to everyone who needs it.

You can play any game you want and stream on any platform you choose as long as it is age appropriate, although we would prefer games that do not promote gambling or anything that encourages people to get in to debt.

All you need to do is set up your stream and a Just Giving fundraiser and start playing. If you can't take part during our gaming weekend 14th and 15th May 2022, feel free to take part at a time convenient to you.

You don't have to set yourself a goal but if you chose to do so here are some figures that may help you decide what you'd like your goal to be:

£50 could help fund a one to one training session on how to manage your bills

£150 could pay for our phone system for a month enabling us to talk to clients

£600 could pay for a laptop for one of our team

£1000 could pay for our Text service for clients for a year

How do I take Part?

Visit Just Giving and set up a Gaming Fundraiser or following this link <https://bit.ly/cabgaming>

Decide what game you want to play to stream

Pick a streaming channel such as Twitch You will also need a broadcasting software

Connect to Livestream fundraising on Just Giving

CHURCHES IN ST NEWLYN EAST

ST NEWLYN EAST PARISH CHURCH

Regular Service: 9.30am Sunday

PRAYER CYCLE This month we will be praying for all those who live and work in Trewithen Parc.

PRAYER TREE You can add a prayer to our prayer tree in the church at any time. Just write your prayer or thought on a 'leaf' and add it to those already hanging on the tree where it will remain in the church .

EASTER DECORATIONS We hope you have enjoyed seeing the Easter garden in the churchyard. Many thanks to the people who contributed pots of flowers to make it all look really beautiful for everyone to enjoy. The church was beautifully decorated inside with lots of wonderful flower arrangements and an indoor Easter garden as well.

EASTER EGG HUNT The Easter egg hunt in the churchyard was a lot of fun for everyone and we were delighted that so many people took part. We have never done a hunt before but now we are already planning what to do next year.

COLLECTION OF BEDDING FOR ST PETROC'S We continue to collect sleeping bags and duvets for St Petroc's, the charity that supports the homeless. If you are able to donate an old sleeping bag or duvet, please leave it at the back of the church (near the bookshelves) where it will be collected by a member of the congregation and delivered to St Petroc's in Truro. If you visit the church and see what appear to be black bin bags at the back, that is what they contain, not rubbish! Each bag holds just one duvet or sleeping bag ready for collection.

FOODBANK COLLECTION We also collect for the Foodbank and there is a box for donations of food at the back of the church. This is regularly emptied and taken to Newquay for distribution to the poorest in our community. We are pleased that we are able to support the weakest members of society by our collections for St Petroc's and the Foodbank and our small congregation welcomes the fantastic support that we get from our village.
